Agreed Report - January & February & March

- We have been given the go ahead for the Retrofit Pathfinder Programme which was pulled last year. It will see our school receive significant structural and mechanical improvements over the summer months.
- The sensory trail will be arriving and installed during the week beginning the 23rd February 2026.
- We purchased and had a new interactive panel installed in our 5th classroom.
- We will have an official opening of the sensory trail on the 23rd of April 2026 at 1:15pm. All donors will be invited, along with parents and members of the wider community.
