UNIFORM POLICY

The school places great importance on uniforms. It emphasises our belief in the identity of the school as well as underlining the importance of being neat and tidy in all aspects of school life. The school uniform greatly simplifies the lives of the pupils during primary level years and undoubtedly saves parents large sums of money. Correct wearing of the school uniform requires the full cooperation of the students, their parents, and the school, and it is in the spirit of partnership that we emphasise our school uniform policy at the beginning of each school year.

AIM:

A school uniform reflects a sense of belonging to a school community and therefore it is our aim that each pupil would take pride in their appearance in full school uniform.

RATIONALE:

- A school uniform makes all pupils equal and creates a clear school identity.
- It helps a child develop their own sense of identity.
- It reduces the expense on parents of regularly having to purchase clothes for their children – often at the dictate of fashion and designer brands
- It represents a visible commitment by parents and guardians to policies of Clonroche National School
- It establishes a code of dress appropriate to the image Clonroche National School wishes to present
- It reinforces a pride of appearance among the pupils in the school.

SCHOOL UNIFORM:

Following discussions with the Parents Association, Board of Management and school staff, the school uniform decided upon is as follows:

Personal choice of practical footwear which is suitable for playground activities.

For ease of identification, all jumpers, coats etc. should be clearly labelled.

IMPLEMENTATION OF POLICY:

To successfully implement the school uniform policy, Clonroche National School is fully dependent on the support of parents and guardians.

All pupils must adhere to an appropriate Code of Dress for all school-related activities.

This policy will be reviewed annually
